#### NOTES TO THE FINANCIAL STATEMENTS

(unaudited – prepared by management)

November 30, 2007

#### 1. NATURE AND CONTINUANCE OF OPERATIONS

The Company was incorporated under the *Business Corporations Act* (BC) on January 24, 2007. The Company's common shares were listed and called for trading on the TSX Venture Exchange (the "TSX-V") on August 7, 2007. The principal business of the Company is to identify, evaluate and then acquire an interest in a business or assets. Upon listing, the Company was classified as a capital pool corporation ("CPC") as defined in TSX-V Policy 2.4.

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles with the assumption that the Company will be able to realize its assets and discharge its liabilities in the normal course of business. The financial statements do not include any adjustments that may be required to assets and liabilities should the Company be unable to continue in existence.

#### 2. BASIS OF PRESENTATION

The preparation of these interim financial statements is based on accounting principles and practices consistent with those used in the preparation of annual financial statements. Certain information and footnote disclosure normally included in financial statements prepared in accordance with generally accepted accounting principles has been condensed or omitted. These interim period statements should be read together with the Company's most recent audited financial statements and the accompanying notes. In the opinion of the Company, these unaudited interim financial statements contain all adjustments necessary in order to present a fair statement of the results of the interim period presented.

#### 3. COMPARATIVE FIGURES

The Company was incorporated on January 24, 2007 and as a consequence there were no results of operations for Comparative period ended November 30, 2006.

#### 4. CAPITAL STOCK

#### **AUTHORIZED AND ISSUED**

#### **ESCROW SHARES**

In the prior fiscal year the Company issued 14,000,000 common shares of which 10,400,000 are subject to an escrow agreement and may not be transferred without the consent of the TSX-V. The escrow agreement provides, among other things, that 10% of such shares will be released from escrow upon the completion of a "Qualifying Transaction", as defined in TSX-V Policy 2.4, and that 15% of such shares will be released every six months thereafter.

## Transactions for the Issue of Share Capital During the Nine Months ended November 30, 2007

a) The Company completed an initial public offering of 2,000,000 shares at a price of \$0.10 per share for gross proceeds of \$200,000. The Company incurred costs totalling \$115,735 in connection with this offering comprised of a finder's fee, the issuance of 200,000 agents' warrants with a fair value of \$12,801, legal fees, transfer agent fees, listing fees and other miscellaneous costs directly relating to the completion of the initial public offering.

#### STOCK OPTION PLAN

The Company has adopted an incentive stock option plan (the "Plan"), the essential elements of which are as follows: The aggregate number of shares of the Company's capital stock issuable pursuant to options granted under the Plan may not exceed 1,600,000. Options granted under the Plan may have a maximum term of five years. The exercise price of options granted under the Plan will not be less than the discounted market price of the shares (defined as the last closing market price of the Company's shares immediately preceding the grant date, less the maximum discount permitted by TSX -V, or such other price as may be agreed to by the Company and accepted by the TSX-V. Options granted under the Plan are generally exercisable immediately following the grant, however certain options may be subject to vesting at times as determined by the directors of the Company and the TSX-V.

A summary of the status of options granted under the Plan as of November 30, 2007 and February 28, 2007, and changes during the period/year then ended, is as follows:

	November 30, 2007			February 28, 2007
